

Sacred Heart Primary School

P&F General Meeting

Monday 29-Jun-09

President's Report

- Association Incorporation;
 - A decision has been made to wind-up the current incorporated association and re-form a new association that is not incorporated.
 - This will involve passing a Special Resolution at the next P&F General Meeting. This will include an Special Resolution to wind-up the association and an Ordinary Resolution to donate of all funds to the school.
 - Immediately after this a new association will be formed, new bank accounts set-up and funds donated from the school, back to the new association.
 - The Special Resolution was advertised over the preceding week (Newsletter, Noticeboard, Website), leading up to this meeting – 29-Jun-09.
- Sacred Heart Day (Morning Tea, Bouncy Castles x 2, Raffles and Sausage Sizzle) was a resounding success with a great team effort and loads of help from parents on the day.
- Fund-raising may now need to take a higher priority if the Association is to consider supporting any other initiatives that require financial support. Future social activities may need to be considered as both community building and fund-raising opportunities.
