

Sacred Heart Primary School

P&F General Meeting

Monday 21-Sep-09

President's Report

Most of the activities that have been undertaken by the P&F this year have been organised and driven by a core group or in some cases individuals. Each of these activities has been made possible by the co-operation and support that each of the P&F Association Members has offered the organisers of the events.

We must continue to keep communication channels open, be honest about concerns, as well as giving and receiving feedback, openly. Thanks will always be deserved by those who take on the responsibility of organising, as not everyone is willing to do this. Equally, thanks goes to all those that actively support and assist in so many ways.

- P&F School Disco was another great success. Many thanks to Lisa Watters for the organisation she put into the evening, as well as a huge thank you to all the parents and teachers that helped out. A special thank you to Dawn for donating all those yummy M&Ms.
- Hoyts Movie Ticket Packs proved to be very popular. A very warm thank you to Joanne Harrington for her efforts in organising and facilitating the ENTIRE thing.
- Sausage Sizzle Lunch and Tea/Coffee Stall went off well at the School Sports Carnival. The only feedback received that could improve things in the future would be to ensure all volunteers are contacted, even if they are not needed (we need to make everyone feel valued). A big thank you to all the people who helped, especially the following people; Jess Parker and Dawn Barker - for taking the time to count and sort all the orders; Dawn Barker - for the fantastic organisation of the bun preparation and delivery of the lunches; Matt Cunniffe – for co-ordinating the cooking of the sausages; and Lisa Watters and Nat Davies for their efforts on the Tea and Coffee stall.
- Hoyts Movie Matinee
 - The Hoyts Movie Matinee was not as popular as we had hoped, but it seemed that everyone had a good time (I thought the movie was great!). Despite the fact that the air-conditioning wasn't switched on, the whole experience seemed to go well – I am looking forward to hearing feedback from other people who attended. Lisa Watters and Nat Davies were the main drivers of this project and both put in a big effort to make sure it was as successful as possible.
- Upcoming P&F events;
 - Family Fun Day, 24 October 2009
 - Decorative Tea Towels
 - AGM in November...
- Most influential resource available to the P&F remains the positive and constructive conversations that the P&F representatives can and will have within the school community. People Power!!!
