

Principal's P&F Report 21 September 2009

Thank you to the P&F for supporting the school Athletics carnival with the sausage sizzle and tea and coffee.

Solar Grant

The school has been granted a \$50,000 Solar Grant by the Federal Government to install solar panels which will hopefully reduce our electricity bills and ideally enable us to sell power back into the grid during holiday periods. Installation is scheduled before the end of the year. Thank you to Jonnda for successfully applying for this grant.
