

Sacred Heart Primary School

P&F General Meeting

Monday 24 May 2010

President's Report

- First Disco of the year was a great success! Many thanks to all those that took the time to hep out and/or get their children own to the event.
- Congratulations and thanks to Valerie Maxville for her new role on the School Board, as P&F Representative. Valerie would have attended her first meeting last week.
- Special thanks go to Michelle Bocarro for completing an audit on our accounts for 2009. Michelle has kindly offered to do the audit, again, for 2010.
- Sacred Heart Day plans are shaping up nicely. A BIG thank you to all those wonderful people who have put up their hand to help coordinate activities on the day.
- The P&F Web site will be used to store templates and instructions for the different events held (Discos, Sacred Heart Day, etc), so that they do not have to get recreated every year. In addition to this, a list of suggested discussion points for each monthly meeting will be added, so that there is plenty of time for planning.
- New counting sheets and event-specific cashbooks have been introduced to make accounting a bit easier and more accountable for the people counting and banking the money.
